"I am writing to you to thank you and the 'team' for making our loft conversion + extension as pleasureable as it was. Despite the worst summer the Midlands has seen with it's contant rain, the job was completed on time. The men in your team were polite and considerate at all times. We would also like to thank you for your professional manner and the consideration you also showed our family. There were no hidden extras and we felt involved the whole time with the work being done." **(Gartree Drive)**
